#### **Government of Slovenia/EU Personal Data Protection Notice for *Skills Summit 2020: Skills strategies for a world in recovery***

The Ministry of Education, Science and Sport of the Republic of Slovenia is committed to protecting the personal data it processes, in accordance with the Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, [GDPR](#).

The personal data we collect will be used solely for the purposes of organisation, management and follow-up of this event. The data will be stored as long as follow-up actions to the event are necessary with regard to the purposes of the processing of personal data.

The personal data will be stored on internal, secure drives of the [Ministry of Education, Science and Sport](#), the [contractor](#) and the [OECD](#).

Any photographs/pictures taken and films/videos made during the event may be used by the hosts for public relation purposes. They may also be published on the dedicated internet pages.

Please note that the Ministry of Education, Science and Sport of the Republic of Slovenia will record open sessions of the virtual Skills Summit 2020 and take a screenshot of participants as indicated in the Summit agenda, store it on systems of the Ministry of Education, Science and Sport of the Republic of Slovenia and its [contractor](#) in order to develop a multimedia summary of the event to share with participants and wider public. If you do not wish to be recorded during these sessions, please leave your camera off.

#### **OECD Personal Data Protection Notice for *Skills Summit 2020: Skills strategies for a world in recovery***

The OECD is committed to protecting the personal data it processes, in accordance with its Personal Data Protection [Rules](#).

The OECD Centre for Skills (Directorate for Employment, Labour and Social Affairs) is using this online registration form to collect personal data, including names, titles, contact details, CVs and photos of participants in the Skills Summit 2020. The data will be used to register participants for the virtual meeting on 9 October 2020, to create a participants list available to all participants, and to communicate with participants after the event (for example, circulating a discussion summary document).

The personal data we collect will be stored on an internal, secure OECD drive and retained until there is no longer any need to contact you regarding skills summits. Only OECD staff involved in organising skills summits have access to your data.

Under the [Rules](#), you have rights to access and rectify your personal data, as well as to object to its processing, request erasure, and obtain data portability in certain circumstances. To exercise these rights in connection with the Skills Summit, please contact [skillssummit202@oecd.org](mailto:skillssummit202@oecd.org)

If you have further queries or complaints related to the processing of your personal data, please contact the [Data Protection Officer](#). If you need further assistance in resolving claims related to personal data protection you can contact the [Data Protection Commissioner](#).
